

Jacky Herrera

jacqueline.herrera@scholar.smashprogram.org

[Objective: Write one to two sentences about your life goals! Where do you want to go to college? What career do you want? How does your work experience and hobbies align to these goals?]

My goal in life is to finish a well educated career that I like to do. Also to start and obtain a family myself. Honestly, right now I have no idea what career I am interested in. But, I do have a certain interest in the mathematics field and the film industry.

EDUCATION:

Completed 1 year at San Benito High School

Graduation Date: June, 2021

EXPERIENCE:

Scholar at Stanford SMASH program.

Summer in 2018.

We take classes consisting on the stem field. It is a 5 week summer camp, where we get to stay in the dorms as well.

HONORS and AWARDS:

Principal's Award received in middle school and high school so far. Usually received after each semester.

Principal's award is where you maintain a GPA of a 4.0. Or in other words, straight A's.

Presidential Award received in 6th grade and 8th grade. Usually after the school year ends.

This award is where you have had outstanding achievements and grades.

Athlete Scholar Award. Received from my high school.

May, 2018

This award is given when you manage to have a certain GPA and play a sport at the same time.

SKILLS:

Play any sport and I will be competitive. I can cook and bake something that is edible and delicious. When it comes to painting or drawing you will be surprised. I have actually painted my family members and turned out looking realistic.
